

VALE BARQUEIROS

FAMILY WINERY

DO-IT-YOURSELF WINE

And how about if you could make your own personal wine blend? Let us introduce you to the unique ambiance and art of winemaking.

We have put together a special program where we can help you to produce your wine. You can select the grape varieties and the oak barrel where the wine is kept for aging. Then work with a label designer to create your custom label. Before bottling you will work closely with the winemaking team to create your own blend.

In the end of the process you will have your wine bottled and labelled, ready to be enjoyed by you and your friends.

This program costs €3000 + VAT and includes:

- Lunch for 2 persons (at the moment of the lots creation)
- Lunch for 2 persons (at the moment of the bottling)
- 1 Wine tasting
- 1 French oak barrel - 225 Liters
- 300 bottles + custom labels + corks + capsules + 50 boxes + certification "Vinho Regional Alentejano"

We will be happy to give you more details on our program of "Do-it-yourself Wine".
